TOWN WARRANT
The State of New Hampshire

To the Inhabitants of the Town of Greenville in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Community Hall in said Greenville on Tuesday, the 14th day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

Bring in your ballots for:

Town Clerk for one year, One Selectman for three years, Town Treasurer for one year, one Water Commissioner for three years, one Water Commissioner for one year, one Trustee of Trust Funds for three years, one Library Trustee for three years, two Auditors for one year, First Fireward for three years, Second Fireward for two years, and Third Fireward for one year.

And at eight of the clock in the afternoon of the same day, at the Town Hall Auditorium to act upon the following subjects:

Article 1

To choose all necessary officers not chosen by the Australian ballot.

Article 2

To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same.

Article 3

To hear reports of agents, auditors, committees and officers heretofore chosen and pass any vote relating thereto.

Article 4

To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow money in anticipation of taxes or take any action thereon.

Article 5

To see if the Town will vote to have a Town Budget Committee of seven (7) to be appointed by the Moderator or take any action thereon.

Article 6

To see if the Town will vote to raise and appropriate the sum of \$3,000 a year for a period of six years to purchase a new Fire Truck to replace the 1939 Chevrolet. This money to be placed in a fund to be called "Fire Truck Fund" or take any action thereon.

Article 7

To see if the Town will vote to raise and appropriate the sum of \$700 to purchase two asbestos suits for the use of the Fire Department or take any action thereon.

Article 8

To see if the Town will vote to raise and appropriate the sum of \$1,000 for making a map of the streets of the Town of Greenville, and the naming of such street, each street to have a metal sign and a metal post, the map to be kept with the town records of the Selectmen, or take any action thereon. (By Petition)

Article 9

To see if the Town will establish a Town Conservation Commission as set forth in R. S. A. 36-A.

Article 10

To see if the Town will vote to authorize the Selectmen to file in behalf of the Town an application (in form and manner required by the United States and in conformity with P.L. 560, 83rd Congress) and do whatever else may be required for an advance to be made by the United States to the Town of Greenville, New Hampshire, to aid in defraying the cost of preliminary report and plan preparation for sewerage and sewage treatment facilities for the Town of Greenville.

Article 11

To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 21st day of February, in the year of our Lord nineteen hundred and sixty seven.

*The Budget Committee's Recommendations figures are the same as in the
 "Estimated Expenditures Ensuing Year 1967" column.

REPORT OF TOWN BUDGET COMMITTEE

During January and February the Budget Committee has met with the various Town Departments and discussed their budgets for 1967. These estimated expenditures for the current year as printed in the Town report have been approved by the Committee and are recommended.

The Committee would recommend that at the time that the new water system becomes operative, the Water Department formulate a new set of rules and regulations to be presented to the voters for approval.

We feel that the present Water Commission has performed and very commendable task during 1966.

The Committee wishes to express their thanks to the various Department heads for the cooperation and the consideration given them.

SYNOPSIS OF 1966 ANNUAL TOWN MEETING

March 8, 1966

Total Names on Checklist 767
Number of Ballots Cast 442

Article 1: For Town Officers chosen, see page of this report.

Article 2: See Selectmen's report for appropriations made.

Article 3: Voted to accept reports as printed in the Town Report. A report on the water situation was made by J. Willard Buttrick, Jr.

Article 4: Voted to authorize the Selectmen and Town Treasurer to borrow money in anticipation of taxes.

Article 5: Voted to have the moderator appoint a Budget Committee of seven members.

Article 6: Voted to install a street light between the residences of Leon Caron and Raymond Rice, and to raise and appropriate the sum of \$42.00 for same.

Article 7: Voted to change the wording of the vote taken on March 9, 1954, under Article 6, to read: "for improvement of Highways, sidewalks and Bridges in the Town of Greenville."

Article 8: Voted to paint the Iron Bridge on the Wilton Road and transfer a sum of money not to exceed \$2,000.00 from the Post War Construction Fund, so-called, to pay for same.

Article 9: Voted not to appoint a Planning Board. No 43. Yes 18.

Article 10: Voted to authorize the Selectmen to appoint a committee of five to designate names of all town streets and roads within the Town of Greenville and to submit same to the 1967 Town Meeting for approval.

Article 11: Voted to raise and appropriate the sum of \$600.00 to purchase a relay pump for the use of the Fire Department.

Article 12: Voted to change the term of the Fire Wards from one to three years, to become effective at the Annual Town Meeting in March 1967, at which time the first Fire Ward will be elected to a three-year term, the second Fire Ward to a two-year term, and the third Fire Ward to a one-year term.

T. A. EATON, Town Clerk

GREENVILLE WATER SUPPLY PROJECT

The following is a status report on the Greenville Water Supply Project.

1. The Temple Road relocation contract has been advertised by the New Hampshire Highway Department with bid opening scheduled for the first week of March and award of contract shortly thereafter.

2. The land acquisition is expected to be complete around the first of April.

3. The Plans & Specifications are expected to be complete by the first of March.

4. The contract is expected to be awarded by the First of May with water being stored in the reservoir by late fall.

5. Treated water should be delivered to the Greenville system in Spring of 1968.

FIREWARDS' REPORT

During 1966 we had four brush fires, three dump fires, three chimney fires and two house fires. We have been called for Mutual Aid four different times, namely, New Ipswich, Mason, Wilton and Milford. Fire drills and inspection of schools have been performed four different times. We also had fire drills during the year.

The relay pump has been purchased and is quite an asset to the department. The Fire Station has been painted and four hundred feet of hose has been added to our supply.

We, the Firewards, are pleased to report a successful year, both financially and firewise. We wish to express our sincere thanks to everyone who has helped to make this such a good year.

Respectfully submitted,
HENRY BERGERON
WALTER GENDRON
RAYMOND VAILANCOURT
Firewards

FIRE RECORD

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.

2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us: (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 a. m. and 5:00 p. m. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.

2. Be sure all discarded smoking material is out.

3. Don't leave a live camp or cooking fire.

4. Most important — instruct your children that matches are not play things.

TRULY — ONLY YOU CAN PREVENT FOREST FIRES

J. Willard Buttrick, Jr.,

Forest Fire Warden

Winthrop H. Hannaford,

District Fire Chief

REPORT OF THE LIBRARIAN

To the Trustees of the Chamberlin Free Public Library December 31, 1966

This has been a busy year at the Library, and it is good to pause and look back over the year and note what has been accomplished.

Statistics show that 10,546 persons have visited the Library during the year, and 12,250 books and magazines have been circulated.

In addition 484 new books have been added to the Library collection. These include a 10-volume set of *The Book of Popular Science*, which is used extensively by the young people; a 20-volume set of *Let's Travel* books, popular with both young and old; and 12 volumes of the Companion Library, which includes such old favorites as *Little Women*, *Little Men*, *Tom Sawyer*, *Kidnapped*, *Heidi*, and many other classics.

Many gift books have been given by friends to both the adult and young people's collections. A history of the N. H. Medical Society was given by Dr. Robert E. Wellwood, and Congressman James C. Cleveland gave an autographed copy of the book *We Propose: A Modern Congress*. Two books for the reference collection, given by the State Library, are *Living with Books* and *Good Reading for Youth*.

Young people who have given books to the Library during the year are Beverly and Kenneth Boisse, Janice Langille, Maureen Gauvin and Ned Wellwood. We are very grateful to all who have given books and magazines to the Library.

Memorial books have been presented to the Library in memory of Joseph Desrosiers, Joseph Robichaud, Romuald Thibault, Emily Wiggins and Roberta Galligan.

The Golden Magazine for Boys and Girls was added this year for the enjoyment of the younger children. *Yaukee Magazine* is a new subscription that is proving to be popular.

It has been possible for the Librarian to attend the Book Selection Meetings held in Merrimack, Hooksett, Mont Vernon and Milford. The Chamberlin Library was host to the libraries in our district for the Book Selection Meeting held in September. These meetings are very helpful, giving the librarians a chance to see new books and hear them reviewed.

The Librarian attended a Public Relations Workshop in Derry,

in May; the N. H. Library Association annual meeting at Colby Junior College, New London, in June; the annual meeting of the N. H. Friends of the Library, at the Wayfarer in September, and in October the N. H. Library Trustees Association Meeting, also at the Wayfarer in Bedford. These meetings have all been helpful and most interesting. The Librarian is deeply grateful to Mrs. Lea Burnap and Mrs. Dorothy Russell for being willing to furnish transportation to these various meetings.

From March 17 to May 26, one morning a week, a Work Shop on Book Selection was held at the Bookmobile Library in Keene. The Librarian and Mrs. Russell attended this course. In order to complete the course a book selection policy had to be written. This policy has been presented to the Trustees and accepted by them as a policy to govern the selection of books for the Library.

The course was taught by Miss Elizabeth Kingseed, Assistant State Librarian, and proved to be most interesting and helpful.

The State has deposited \$100.00 to our account with the State Library, to be used for the purchase of reference books. These books have been ordered from a list submitted by the State Library and will be on the Library shelves in the early part of 1967.

National Library Week in April was observed with Open House at the Library. Six high school students, with Mr. Donald Bourke, English instructor at Milford High School, as Moderator, conducted a panel discussion on "What Reading Means to Me." Mrs. Charlotte Hutton, Bookmobile Librarian, was the guest speaker and entertained everyone with her delightful book reviews. Book jackets and National Library Week posters, made by the school children, were on display all the week at the Library, and prizes were awarded at the Open House to the winners. The Friends of the Library served refreshments to the 88 persons attending, and we are hoping to have a successful observance of National Library Week in 1967.

The fifth annual Pops Concert, sponsored by the Friends of the Library, held on May 5th, was a huge success and one of the best performances to date. Two hundred dollars was given to the Library from the proceeds, with which we could purchase many new books.

A reading program was in progress during the summer months, for children from Grades 4 to 8. Twenty-five youngsters complet-

ed reading the required number of books and were entertained with games and a cook-out at the home of the Librarian at the close of the 8-week program.

During June, July and August a Story Hour was held each Friday afternoon at the Library for pre-schoolers and 6 to 9-year-olds. About twenty children attended, and they had a party at the Library at the end of the season.

Refreshments for both groups were furnished by the Friends of the Library.

The Bookmobile has made its customary visits during the year, and we borrowed 684 books, an average of 171 books a visit.

Approximately 93 books were borrowed directly from the State Library, covering a diversity of subjects. From wood-carving, for a young would-be carver, to technical books to help students with college term papers, or to help someone get more enjoyment from a hobby, such as coin collecting — no request was too small or too difficult for the State Library and its staff. This service is a very valuable help to the small library that cannot possibly have books on every subject.

The school children continue to come by classes with their teachers each Friday afternoon during the school year. It is helpful, especially for the bus children, who otherwise would find it difficult to complete library assignments.

We have noticed a difference in the number of High School students using the Public Library since the Academy now has its own Library. We hope that a love of reading will become such a part of these young people that in later years, wherever they may be, they will find their way to the Public Library and continue their reading for knowledge and pleasure.

An increase in the salaries of the Librarian and the Assistant Librarian was much appreciated.

A word of thanks is due Russell Kimball for his continued interest and help, especially in keeping the file of magazines up to date and in usable condition.

Will everyone make a resolution to read at least one good book a week this year!

"A good book is the best of friends, the same today and forever." —Tupper

GERTRUDE S. KIMBALL, Librarian

REPORT OF THE TRUSTEES OF CHAMBERLIN FREE PUBLIC LIBRARY

The Trustees of the Chamberlin Free Public Library are asking for the same appropriation of \$2500.00 this year. We feel that we will be able to keep up the standards of the Library, with this even though books have gone up.

During 1966 we have added a great amount of new books and plan to do the same this year. We hope that you will plan to visit the Library during 1967.

The Trustees are very grateful for the nice sum of money that is given to the Library by the Friends of the Library this year. We are also grateful for the Gift books given to the Library and for the books given as memorials to Town People.

We are very proud of our Librarian, Mrs. Kimball as she does and outstanding job. She is very devoted to help all students to locate material for there school work, also works with the adults to get books of there liking. The Trustees wish to thank Mrs. Kimball for all her efforts in behalf of the Chamberlin Free Public Library, and we are also very grateful for the time and work that Mr. Kimball donates to the Library. We are also very grateful for the work of our Assistant Librarian, Mrs. Violet Buttrick.

As 1966 has been a good year for the Library we will try to make 1967 a better year. Come and pay your Library a visit in 1967, help your Trustees and your Librarian on to a better year. We will welcome your visit and suggestions for improvements.

HELEN GREENE, Treasurer

REPORT ON YOUR MONADNOCK REGION ASSOCIATION

To the Town of Greenville

The stated aims of your Monadnock Region Association, now in its 34th year of existence, are as follows: To help the Monadnock Region remain beautiful, to promote worthwhile organizations, to increase the prosperity of its inhabitants, to encourage the development of parks and recreation facilities, and to be of service to all who live, work or visit here.

During the past year your Association has sponsored 4-H activities, Boy Scouts, Boys' State, forestry betterment, Philharmonic Concerts and ham radio groups. We have given slide lectures, talks on Parliamentary procedure, and duties of Town Officers. In cooperation with the National Society we sponsored the First Covered Bridge Festival to be held in New England. We have attended public hearings whenever the interests of the Region or any Town were at stake.

We continue to work for roadside beautification, conservation of resources, and protection of wild life. We publicize historic sites, points of interest and natural attractions. In various ways we have contributed to the development of the Region along cultural and educational lines to the end that such advantages are apparent and a factor in inducing desirable and valuable people to locate in the Monadnock Region.

Your Region Association will tackle any problem advancing the livability of the area of the Monadnocks for natives, visitors or new residents.

AUDITORS' REPORT

We have examined the accounts of the following town officers: Selectmen, Town Treasurer, Town Clerk, Firewards, Library Trustees, Municipal Court, Road Agent, Tax Collector and Trustees of Trust Funds for the year ended December 31, 1966 and find them to be correct and in good order.

We verified the Tax Collector's uncollected lists as of December 31, 1966 by mailing notices to those having outstanding balances. Differences brought to our attention were noted and where necessary the Tax Collector's accounts were checked and brought into balance.

SCHOOL WARRANT

The State of New Hampshire

*To the Inhabitants of the School district in the town of Greenville
qualified to vote in district affairs:*

You are hereby notified to meet at the Town Hall in said district on the 13th day of March 1967, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
 - 3a. To choose a Member of the School Board for the ensuing two years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officers, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents and for the payment of statutory obligations of the district.

9. To see if the District will vote to form an AREA School District Planning Committee under the requirements of RSA 195-A:3, and to elect the members thereof, or to determine that they shall be appointed by the Moderator, or take any action relating thereto.

10. To see if the School District will vote to authorize the School Board to enter into an exclusive contract with Appleton Academy in accordance with Chapter 194, Section 22 of the N. H. Revised Statutes Annotated for the education of all of its pupils in grades 9-12 for the school year of 1967-68 and to disburse from the School District Budget a sum not to exceed \$52,955.00 for the same, or take any action relating thereto.

Given under our hands at said Greenville this 22nd day of February 1967.

ALEXANDER M. TAFT,
PATRICIA J. DUVAL,
HAROLD H. MARTIN,
School Board

SUPERINTENDENT'S REPORT

To the School Board and citizens of Greenville, I respectfully submit my ninth annual report as your Superintendent of Schools.

Staff and Instruction

Very fortunately only one change in staff was necessary at the Greenville School this year. Mrs. Beulah Soule of Townsend, Massachusetts, a graduate of the University of Maine with Private kindergarten experience, was hired as teacher of grades one and two. Mrs. Soule is short on elementary school teaching experience, but long on experience in life and long in desire to do a good job and has been making excellent progress.

Miss Helen Stone has been carrying on the Special Reading class, financed under Title I of the Elementary — Secondary Education Act of 1965. During this first half of the year Miss Stone is working in the Public School; in the second half of the year she will work with Sacred Heart children. The program is definitely improving the ability of children and is further improving the child's attitude toward reading and school in general.

Now that schools are in satisfactory operation, time has dimmed the anguish that this superintendent, and many other superintendents in the state, experienced in finding teachers for the current school year. This year the teacher shortage was even more severe than in any year in the past, and it can be expected that the situation is going to become more of a problem with each coming year. This is not a situation which is peculiar to the state of New Hampshire, but is a nation-wide problem.

There are several reasons for the unusual teacher shortage:

First, increased elementary and secondary enrollment; second, new educational programs stimulated by Federal financial assistance and local interest that have drawn off a number of teachers; third, migration of teachers to higher salaried positions in industry and also to other nearby states; and fourth, the inability of our State education training institutions to accept all those who are interested in going into teaching, because of the lack of sufficient facilities. These situations are not going to be immediately resolved.

Greenville was quite fortunate in having a full complement

of teachers as were all the other towns of the supervisory union, since a report issued by the State Department of Education indicated that as of August 30, 1966, just prior to the opening of school, there were still 158 classrooms that had no teachers. 96 of these vacancies were in the elementary school, 44 in the secondary school, and 18 in special classes.

The simplest way to solve this problem is to use every means available to the local district to encourage the present staff to stay in their positions and continue as teachers in the Greenville School. One of the best ways of doing this is to insure that there will not be a migration of teachers into other communities, by providing salaries which meet the competition in the area. Within the budget presented to the district this year, fair salary increases are being requested to meet this need.

Building and Grounds

Considering the age of the building, the Greenville Public School is not in very bad shape. Each year we have provided some money to do some painting and make repairs as necessary. In the present budget \$100 is going to be spent to repair the front entrance roof and \$100 to do some patching in the playground area to prevent washing out.

Finance

There are several areas of increase in the budget which is being recommended by the Board. In the area of Teachers' Salaries, an increase of \$300 is shown to adequately provide for, and hopefully induce them to return. Under Item No. 215, an increase of \$233 is requested to provide for a change in science and language books used in the grades. In the No. 500 Item, an increase of \$200 is urged to provide additional funds for the transportation of youngsters attending the Special Class in Wilton. In the No. 600 Series, an increase of approximately \$275 is shown to provide additional salary for the custodian and charges from the Water Department. The primary area of increase is in the No. 1477.1 item where an increase of about \$7500 is requested for increased tuition costs at Appleton Academy. This increase is brought about by an increased tuition charge of \$48 from \$547 to \$595 per pupil and an increased anticipated high school enrollment of ten pupils. In Item No. 1477.3, an in-

crease of approximately \$500 in Supervisory Union expenses is requested, in part for an increase in Superintendent's salary and for increased expenses of the Union office.

On the income side of the ledger, it is estimated that income will be decreased by about a \$1,000, since a balance of about \$1,000 less will be on hand this year, than was on hand last year. This decrease in income combined with an appropriation increase of \$9,000, results in a Total Net Assessment to meet the School Board's Budget of \$94,129.60, an increase of \$10,185.94 over that which was provided for the current year's operation.

Special Article

A Special Article appears in the Warrant to give the district an opportunity to act on the formation of an AREA Study Committee. This type of Study Committee allows opportunity for a local committee to investigate an AREA plan or a Co-op plan with surrounding towns. This kind of study should be going on in Greenville until the junior-senior high school problem for Greenville is ultimately solved.

Conclusion

I want to compliment the teachers of the Greenville School for the excellent job they have been doing this year in meeting the needs of their children. Their efforts, along with the efforts of Mr. Wilfred Caouette, custodian, have provided a satisfactory school program and atmosphere.

The Greenville School Board has been most understanding of school problems and has worked hard and intelligently to solve them. The easy working relationship which has been established between the school and the Board has helped to make this year one of real educational progress.

Respectfully submitted,

KENNETH A. SARGENT,
Superintendent of Schools.

TREASURER'S ANNUAL REPORT

Fiscal Year July 1, 1965 to June 30, 1966

REPORT OF THE SCHOOL NURSE For Fiscal Year 1966-67

Greenville Public and Sacred Heart School Grades 1 through 8

Visits to Schools: 25

Home Visits: 3

Special Activities:

Assisted Dr. Wellwood with physicals on 240 children.

Children with defects had signed notes to take home.

Defects found in the Public School were:

- 25 carious teeth
- 8 enlarged neck glands
- 3 wax in right ear
- 3 wax in left ear
- 1 wax in both ears
- 1 bronchitis
- 1 wheezes in the chest
- 1 acne
- 1 common cold symptoms
- 1 enlarged tonsils
- 1 slight heart murmur

Defects found in the Sacred Heart School were:

- 9 enlarged tonsils
- 5 inflamed tonsils
- 7 enlarged neck glands
- 4 wax in both ears
- 11 wax in left ear
- 5 wax in right ear
- 1 heart murmur
- 1 anemia
- 51 carious teeth
- 1 need of eye consultation
- 1 excessive tartar on teeth

Assisted Dr. Wellwood with the examinations of the children
that attended Camp Union from the Public School.

Nurse's Work:

Heights and weights on all children

Routine inspections on hygiene and hair

Arranged Dental Clinic in the Public School

27 children were examined by Dr. Roy

All dental work was done in his Greenville office.

Dental hygiene program given to all pupils. A record and filmstrip was provided by Procter & Gamble Co.

Assisted in the Headstart Program.

Tested eyes with the Titmus Vision Tester.

Tested ears with Dr. Wellwood's Maico Audiometer.

Those children with difficulties were referred for further examinations.

First Aid for cuts, bruises, bloody noses, etc.

Pre-school registration for Public School May 9.

8 registered for first grade. Six children were examined; heights and weights and eyes tested. Vaccinations checked.

22 registered to the Sacred Heart School.

Pre-school clinic sponsored by the LeClair Caron Legion Post No. 13 for children 6 weeks to 6 years was held at the Legion Hall. Clinics were held on March 1, March 29 and April 26. Sabin Oral Polio Vaccine, DPT shots and vaccinations were given. Dr. Wellwood was the attending physician. Mrs. Marion Howard, State Nurse, was in charge.

Respectfully submitted,

Laila E. Luhtala, R.N.,

School Nurse
